EXTRA VERMOUTH. THE VERMOUTH™ TIME IN TORINO

EXTRA Vermouth is not just a tasting: it is a ritual, a unique experience.

A gastronomic pleasure and, at the same time, a didactic opportunity to discover the aromatised wine that appeared at the end of the 18th century at the court of the Savoy family an in the shops of Torino's liquor makers.

Vermouth is served cold, with or without ice, with untreated and organic lemon or orange peel. Alongside the real Vermouth di Torino, a selection of typical local products and piedmontese cuisine.
